

UC DAVIS

NSF hands-on workshop and symposium "Metabolic pathways in microorganisms for biofuels"

May 28-29, 2013

Symposium

May 29, 2013, 10.00am- 4.00pm

UC Davis Genome Center auditorium, room 1005

451 Health Sciences Drive, Davis, CA 95616

A poster session is planned for the breaks. Poster size: 35"x 57"

Please register posters with: Jeannette Martins, jmartins@ucdavis.edu

Hands-on workshop in metabolomics

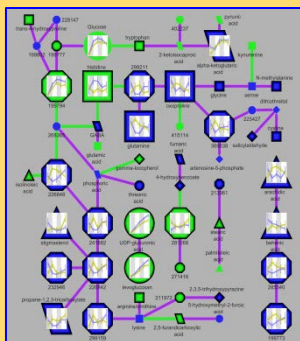

for up to 20 graduate students and postdocs

May 28, 2013, 9am- 6pm

UC Davis Genome Center, room 1314

Mass spectrometry, compound identification, data processing.

Please register with: Jeannette Martins, jmartins@ucdavis.edu

Speakers:

Oliver Fiehn, UC Davis

James Liao, UCLA

John Morgan, Purdue University, IN

Yasuo Yoshikuni, Bio Architecture Lab, CA

Shota Atsumi, UC Davis

Roger Ruan, University of Minnesota

Jason Papin, University of Virginia

Jean VanderGheynst, UC Davis
