

Metabolomics Society Newsletter – July 2013

Dear Member,

First and foremost I would like to offer a very warm welcome to all new Members of the Metabolomics Society who joined as part of your registration for the recent international conference in Glasgow. This monthly newsletter provides a brief summary of some activities of the Society, and opportunities for you, as part of the growth of our metabolomics community.

Contents

| | |
|-----------------------------------------------------|---|
| Membership reminder | 1 |
| Metabolomics Society Annual Conference Series | 1 |
| Election of two new Directors onto the Board | 1 |
| Announcement of Opportunity | 2 |
| Visit our Metabolomics Society Website | 2 |
| MetaboNews | 2 |

Membership reminder

Individual membership in the Society (as a Member or Student Member) operates on a calendar year. Therefore you will receive the benefits of membership until 31 December of this year. We will of course send you reminders to renew your membership of the Society in November and December 2013. For information on the benefits of membership, please visit

<http://www.metabolomicssociety.org/membership>

Metabolomics Society Annual Conference Series

9th Annual Conference, 1-4 July 2013, Glasgow, UK

- *Record number of talks and posters presented!*
- *Record number of attendees!*
- *Great science, great discussions, great dancing..... what more can we add. We hope you enjoyed it as much as the Board!*

10th Annual Conference, 23-26 June 2014, Tsuruoka, Japan

- More information to follow

11th Annual Conference, summer 2015, North America

- The bid deadline has now passed. The winning location will be announced later this year.

Election of two new Directors onto the Board

Voting is now open for the election of two new Directors onto the Board. Please consider the short biographies and supporting text of the nominees, and contribute to electing the future leaders of the Society.

Announcement of Opportunity

Applications sought from early-career scientists to join the Metabolomics Society's Strategy Task Group, and to help lead the growth of a new *Metabolomics Society Early-career Members Network*.

Details of this opportunity are being sent to all members via email; alternatively see the call description at <https://www.facebook.com/MetabolomicsSociety>

Deadline: 31st July 2013

Visit our Metabolomics Society Website <http://www.metabolomicssociety.org>

We are constantly developing this site; recent additions include:

- Added a new top-level menu for "[International Affiliations](#)" – which describes our recent affiliation with the Australia and New Zealand Metabolomics Network (ANZMN).
- Added a new top-level "Publications" link – which in addition to our Society's journal [Metabolomics](#) also includes a link to our [monthly newsletters](#).
- Added a new top-level "Awards" link – describing our Honorary Fellowship awards, Best Publication awards, and Student awards schemes.

Stay abreast of the latest metabolomics news via the Twitter feed on the front page of the website. Also you can follow us on **Twitter:** Metabolomics Society [@MetabolomicsSoc](#) and *Metabolomics* journal [@Metabolomics](#). And you can [visit us](#) on **Facebook**.

MetaboNews newsletter, July 2013

Produced by The Metabolomics Innovation Centre, Canada, this newsletter contains lots of information about new technologies, software and databases, events, job postings, conferences, training opportunities, interviews, publications, and other newsworthy items concerning metabolomics!

Mark Viant,

University of Birmingham, UK
